Jim Corbett National Park, which is a part of the larger Corbett Tiger Reserve, a Project Tiger Reserve lies in the Nainital district of Uttarakhand. The magical landscape of Corbett is well known and fabled for its tiger richness. Established in the year 1936 as Hailey National Park, Corbett has the glory of being India's oldest and most prestigious National Park. It is also being honored as the place where Project Tiger was first launched in 1973. This unique tiger territory is best known as the father who gave birth of the Project Tiger in India to protect the most endangered species and the Royal of India called Tigers.

Spans over an extent of 520 square kilometers, its whole area comprises of hills, marshy depressions, riverine belts, grasslands and large lake. It is among the few tiger reserves in India that allows overnight stays in the lap of the National Park. Nature watch and wildlife viewing in the park is done in an open four wheeler Jeep and on elephant back. Sheltering a healthy population of tigers and rare species like Otters and the endemic fish eating crocodile, the national park is one of the most sought after destinations for the wildlife buffs. Dhikala, situated at the border of the extensive Patil Dun valley, is the most popular destination.

DEHRADUN: Reacting to concerns by environmentalists regarding the proposed Kandli road between Garhwal and Kumaon cutting through Corbett, forest minister Harak Singh Rawat said that a flyover will be built over the patch of the road that goes inside the national park so that animals can pass through from below. He added that the construction of the road which will be declared a national highway, will be done in two phases and he had already written to Union minister Nitin Gadkari who has given his approval for the same.

Kandi road will go through Gaindikhata- Laldang- Chillarkhal-Kalalghati, Kotdwar-Pakhro-Kalagarh to Ramnagar. It is the area from Pakhro to Kalagarh and some parts of Kalagarh to Kharagate which comes before Ramnagar that will fall into core area of Corbett. The experts are of the view that three flyovers can be built on these routes. DVS Khati, chief wildlife warden said, that he has the entire project outline of flyovers with him, which he will share with the minister.
