EXPRESS VIEW CITY

DHOLERA

Dholera is set to become India's first Greenfield Smart City, where the future of urban living becomes a reality. Dholera is located about 100 km southwest of Ahmedabad in Gujarat. Dholera is poised to become a vibrant incubator city. It makes business and family life easier and more efficient.

Dholera city's focus on sustainability and green living promotes a healthier and more environmentally conscious lifestyle. The abundance of green spaces, recreational facilities, and active transportation options encourage residents to lead an active and balanced life. Dholera Smart city offers state-of-the-art infrastructure for businesses and families alike. Dholera is Envisioned as India's premier destination for manufacturing and industrial development.

The first semi-conductor chip from the upcoming plant in Gujarat's Dholera, jointly established by Tata Group and Taiwan's Powerchip Semiconductor Manufacturing Corporation (PSMC).

In Dholera have a multiple zone like Residential, Commercial, Industrial and Recreational like any other developed city. It will act as a twin city of Ahmedabad with advanced infrastructure.

IT HAS 4 WAY CONNECTIVITY WHICH INCLUDES

BY ROAD-250-meter-wide and 10 LINE express highway which is linked with world heritage city Ahmedabad.

BY RAIL- Guj's first Vande Metro will connect A'bad to Dholera

BY AIR- India's second largest Cargo plus passenger airport (International, Domestic)

BY SEA-Pipavav is the nearest port, also connected to major ports of Mundra and Kandla.

EXPRESS VIEW CITY
